All charges due to Howard Community College (HCC) must be paid in full at time of registration. Students who are actively enrolled in the Tuition Payment Plan or have financial aid, military Tuition Assistance, veterans' education benefits, third party sponsors, and/or tuition waivers may be able to defer that portion of their balance. If the student's full balance is not covered by these other sources for any reason, the student is responsible for the balance due. Past due balances are subject to collection and fees up to 25% of the original balance. Students whose accounts are delinquent will not be permitted to register for the next term. HCC may require payment in the form of certified funds, such as cash, money order, credit card, or a cashier's check.
